

## Acknowledgements

During the past one year, our Editorial Board Members have made significant contributions to the high academic quality of *Plant Science International*. Their expertise and constructive criticism ensure the highest standards are maintained. The editors and the publisher would like to extend our grateful appreciation to the following editorial board members who dedicated their valuable time and expertise in providing critical reviews of manuscripts submitted for publication in this issue. Every effort has been made to ensure the accuracy of this issue. We apologize for any errors and omissions.
